Dear Mr. Simmons:

Please change your records to reflect our new mailing address and telephone number. They are:

Tom Clark
P. O. Box 658
St. George, Ut 84771
Telephone (801) 634-0309

Also, as per our telephone conversation on 11/22/93:

The old International 4X4 Pick-up truck located on our Claim in Miller Canyon does not belong to us and I do not know the registered owner. If you can, please consider it abandoned and have it hauled away.

The tanker truck at the same location belongs to Robert L. Clark. I am sure he will want to move it as it has some value.

I thought that the International flat bed dump truck was in my brothers name and we could release title to it. I discovered that it is registered to a Corporation which has been out of business for several years. There is no one available to release title to it. If you can, please have it declared abandoned as well and removed at the same time as the pick-up. If this is not possible, I will have it moved on or before April 1, 1994.

Please let me know how it goes with the vehicles. I want you to know that I want to do everything I can to maintain a good relationship with you and the BLM.

Sincerely,

Tom Clark
